

Dear all parents and school community

First of all, I, Arifur Khadem, also known as Arif Khadem would like to take this opportunity to thank you all for attending our AGM on 16 May 2022, and nominating and voting me to be the President of this historical and prestigious school, established in 1928. Our P&C team consists of a number of key people including Karla Franklin being the Secretary while Hala Mourad and Carolynne Farrell as the Vice President and Treasurer respectively.

I would like to welcome all parents and guardians both new and those who have been here for a while to our next meeting to be held at school campus on Monday, 20 June 2022 at 6.15pm.

The P&C plays a significant role in supporting and strengthening the partnership between parents and school. The P&C is run entirely by volunteers, some defined roles, other just helping out on a committee that interests them. Often our greatest challenge is getting people to volunteer their time.

Although we are all sincere and responsible guardians, we can donate a little bit of our time to volunteer towards continually enhancing the reputation of this school nationally and even internationally. Together we can increase the student number, improve facilities and activities and achieve higher academic performance.

Therefore, we need your continuous feedback and regular participation in our P&C meetings usually held twice every term (2<sup>nd</sup> and 8<sup>th</sup> Monday of the term at 6:15 pm). Please refer to our website and Facebook page for the full update as the schedule may change due to emergencies or various social, cultural or religious events.

We look forward to meeting you all in the coming meeting(s) and thank you very much for your support and contribution to your school community.

Yours sincerely,

Arif Khadem  
P & C President  
GRC Hurstville Boys Campus
